### Where is camp???

4 the love of the game soccer camp will be held on the campus of Gerstell Academy in Finksburg, MD. Gerstell boasts 7 irrigated grass fields and a turf stadium complex. The majority of camp will take place on the Sportex Turf field. There will also be sessions that take place in the 70,000 square foot Paterakis Athletic center. Campers will eat indoors in the cafeteria (bring your own bag lunch).

### Meet Your Coach:

**Giuliano Celenza:** A two time North East Conference Player of the Year award recipient while attending UMBC. He also ranks third on UMBC's All-Time Points List. Giuls was also named an All-American while playing both at Essex Community College and UMBC. At the completion of his college career, he went on to play 11 professional seasons with the Baltimore Blast. As a member of the Blast, Giuls won 5 championships. He was an MISL All-Star and earned MISL MVP honors. He still remains 5th on the Blast All Time Roster.

After his professional career, he never lost the love for the game. He continues to share his experience and love of soccer by coaching at the club level, Girls Varsity Team at Gerstell Academy and as a member of the Maryland State Olympic Development Program.

Giuls is an honorable member of Essex Community College, UMBC and the Maryland State Soccer Hall of Fame.

*Coach Celenza strategizing with his players.*

***Our Goal...***

*at 4 the love of the game soccer camp is to create a fun and positive learning environment regardless of the level of the player. The staff aims to group players in a surrounding that will allow them to work towards his or her own personal goals in the game of soccer. The coaching staff will strive to instruct players on the basic skills and fundamentals. This instruction will support players to improve and increase their understanding of the game during this one week session. At the conclusion of camp, you will have improved your technical and tactical game, but more importantly, come away with a greater LOVE for the game. This will all occur in a fun enjoyable atmosphere.*
